

Office of the District Attorney – Crime Victim Compensation (CVC)

Mental Health Therapist in the 7th Judicial District

This list is compiled of mental health therapists in the 7th Judicial District who have provided CVC with a copy of their DORA (Department of Regulatory Agencies) registration/license and are set up in the software system to receive CVC Funds. This list is not all inclusive and **makes no statement as to the quality of services provided**. The areas of specialization were indicated by the therapist.

If your desire is to use a therapist who is not on this list, please have that person contact us so we may request a copy of his/her DORA registration and set him/her up in the CVC system in order to process payments. In order to be eligible for CVC payments, all mental health therapists must be registered with DORA and be approved by the 7th Judicial Districts CVC Board. To find out if the person you are interested in working with is currently registered with DORA, please go to this website: www.dora.state.co.us/ (click on Consumers, then on Verify a License) or, more specifically, at: <https://www.colorado.gov/dora/licensing/Lookup/LicenseLookup.aspx>
